

FASTAID R2 CONSTRUCTA MAX™ SOFT PACK FIRST AID KIT

Description

- Red fabric soft pack
- Tough water-resistant backed fabric
- TGA registered no. 128314
- Compliant for 1-25 person workplaces
- Ideal for construction sites and tradies

A high-quality first aid kit for both low and high-risk situations, the FastAid R2 Constructa Max™ exceeds the WHS regulations for Australian workplaces and complies with the requirements for construction sites and tradies.

This first aid kit contains items that are specially designed for treating injuries common in the construction industry and complies with the current WHS regulations for workplaces with 1-25 people.

A comprehensive range of premium hospital grade contents and two additional modules for treating eye and outdoor injuries, such as snake and spider bites, are included in the R2 Constructa Max™ first aid kit. A full colour snake and spider bite identification chart and treatment guide is also included.

Unique colour coded contents make locating the right item in an emergency faster and easier.

Highly portable soft pack case includes internal fold out compartments to assist with kit organisation. A reflective strip on the case exterior assists with locating your first aid kit in low light conditions.

Also contains a bonus wall mount bracket for convenient wall hanging to keep your kit highly visible.
