

FASTAID R2 REMOTE MAX™ SOFT PACK FIRST AID KIT

Description

- Red fabric soft pack
- Tough water-resistant backed fabric
- TGA registered no. 128314
- Compliant for 1-25 person workplaces
- Designed for workplaces in remote areas

The FastAid R2 Remote Max™ first aid kit is a high-quality kit suitable for various work site environments, from low to high risk. It meets the specific Work Health and Safety (WHS) requirements for Australian workplaces located in remote areas.

Compliant with the current WHS regulations for remote workplaces with 1-25 persons, this first aid kit is designed with contents specifically suited to workplaces or work being conducted in isolated areas away from immediate medical help.

The R2 Remote Max™ first aid kit is packed with a comprehensive range of premium hospital grade contents and two additional modules for treatment of burn injuries and outdoor risks such as snake and spider bites. Includes a full colour snake and spider bite identification and treatment guide and appropriate contents to effectively treat bites.

Unique colour coded contents make locating the right item in an emergency faster and easier.

Highly portable soft pack case includes internal fold out compartments to assist with kit organisation. A reflective strip on the case exterior assists with locating your first aid kit in low light conditions.

Also contains a bonus wall mount bracket for convenient wall hanging to keep your kit highly visible.
