

FASTAID R3 INDUSTRA MAX PRO™ FIRST AID REFILL PACK

Description

- Handy complete refill pack for instant compliance
- Save time and hassle refilling your first aid kit
- TGA registered no. 128314
- 1-50 person low and 1-25 person high risk compliant
- Ideal for factories and warehouses

The FastAid R3 Industra Max Pro™ first aid refill pack is a premium industrial first aid kit, ideal for manufacturing and warehousing environments, and exceeds Australia's national Work Health and Safety (WHS) requirements for workplaces.

This first aid refill pack complies with the current WHS regulations applicable to low-risk workplaces, including offices, libraries, and retail spaces with 1-25 persons. It is also suitable for high-risk environments such as manufacturing and warehouse sites with up to 50 persons on-site.

The R3 Industra Max Pro™ first aid refill pack is packed with a comprehensive range of premium hospital grade contents targeted at trauma applications and three additional modules for treatment of burn and eye injuries. Includes extras such as hydrogel burn gels and dressings for effective burns treatment, including treatment guides.

Save time, hassle and money by utilising this refill pack to replenish your existing workplace first aid kit, ensuring you are instantly compliant with national regulations.

Unique colour coded contents make locating the right item in an emergency faster and easier.

Compliance
