

FASTAID R4 INDUSTRIA MEDIC™ METAL CABINET FIRST AID KIT

Description

- White metal wall mount cabinet
- Quality heavy gauge steel
- TGA registered no. 128314
- 1-50 person low and high risk compliant
- Designed for large industrial sites

The FastAid R4 Industria Medic™ first aid kit is the ultimate solution for industrial settings, exceeding the national Work Health and Safety (WHS) standards of Australia for workplace environments.

This first aid kit is designed for use in first aid rooms and complies with the latest WHS regulations. It is appropriate for low-risk work environments, as well as high-risk areas such as manufacturing facilities, factories, and warehousing complexes, and can cover up to 50 people on-site.

The R4 Industria Medic™ first aid kit is comprehensively equipped with premium hospital-grade contents. It also contains five specialised modules for addressing burn injuries, eye injuries, and outdoor risks like snake and spider bites. The outdoor module features a detailed, full-color guide for identifying and treating snake and spider bites, along with the necessary components for effective bite management. Additionally, the burns module is supplemented with items such as hydrogel burn gels and dressings, complemented by guides for effective burn treatment.

Unique colour coded contents make locating the right item in an emergency faster and easier.

FastAid's first aid metal wall cabinets are built from a heavier gauge steel than standard to ensure they stand up to the rigours of the workplace. The organisation sleeve on the inside of the cabinet door provide space for you to place your high use first aid items and treatment guidance to ensure fast and easy access.

Compliance
