

FASTAID WATERPROOF COMPACT™ SOFT PACK FIRST AID KIT

Description

- 48 piece compact first aid kit
- Rugged design for the outdoors
- Waterproof case with buckle closure
- TGA registered no. 128314
- Includes essential first aid treatments

The FastAid Waterproof Compact™ First Aid Kit is a 48 piece waterproof kit designed for outdoor enthusiasts who enjoy recreation in wet environments such as kayaking or hiking near creeks or rivers.

Buckle closure provides a means of attaching your first aid kit to your backpack for portability.

Containing premium TGA registered hospital grade contents, the FastAid Waterproof Compact™ first aid kit contains the essentials for administering CPR, and treating injuries such as sprains, fractures, cuts and wounds and even splinter removal.

Made from tough waterproof material, this great little kit is built to keep your first aid contents dry and ready to go at a moment's notice.

Also contains a colour emergency first aid treatment guide to provide critical first aid guidance to help you effectively treat those unexpected injuries.
